

Dover Public Schools

2008-2009
District Calendar

Dear Parents,

The fabric of education is being woven into a tapestry unlike anything we have experienced before. With these changes come a variety of new challenges. The types of testing and scoring from the New Jersey Department of Education have been revised, creating a system of accountability with even greater demands on our children. We respectfully ask for your kind assistance and partnership as we work together to offer an optimum educational experience for our students. We will be offering after-school tutoring for any child who needs additional assistance beyond the school day. Summer programs are now offered for remedial and enrichment needs and a conscious effort has been made to reduce the class sizes whenever possible. Should you have any concern over your child's progress, I encourage you to feel free to call your building principal at any time. Please know that we enthusiastically welcome your full participation in your child's educational programming.

Our schools will reflect many changes, from offering tutoring for students at risk to enhanced and expanded opportunities for students who have a penchant for academic rigor. The programs offered during the 2008-2009 academic year will continue to challenge all of our students in a variety of ways as we continue to raise the academic expectations of all our students.

Our facilities will also benefit from a variety of improvements. Newly purchased interactive boards will now occupy 80% of our elementary classrooms and 100% of the classrooms at Dover Middle School. Our baseball and soccer fields at Dover High School will benefit from a renovation, resulting in a safer environment in which our student athletes will feel a sense of pride. Laptop computer carts have been purchased for our High School, Middle School, and Elementary Schools. New bleachers have been installed at Hamilton Field which meet all American With Disability guidelines, and funding has been procured to build a new playground at East Dover.

Our progress has been excellent, but our journey is just beginning. As our challenge becomes greater, so does our resolve. I respectfully invite everyone to join us as we work today to meet tomorrow's challenges. Working together, I know we can and shall succeed!

Sincerely,

Robert B. Becker
Superintendent of Schools

Estimados Padres:

Quisiera tomar esta oportunidad para extender un caluroso saludo a todos nuestros padres y estudiantes, tanto como aquellos estudiantes que regresan o aquellos que son nuevos al distrito. En nombre de nuestro personal docente y comunidad, acepten nuestra gratitud por la ayuda y el soporte que nos han ofrecido.

El lienzo que la educación está tejiendo es un tapiz sin igual a nuestras experiencias previas. Con estos cambios viene una gran variedad de desafíos. Los tipos de pruebas y resultados han sido cambiados por el Departamento de Educación de New Jersey, creando un sistema que demanda aún más responsabilidad sobre nuestros niños. Por estos motivos, les pedimos respetuosamente su colaboración para trabajar juntos y así brindar una experiencia educativa óptima a nuestros estudiantes. Actualmente, ofreceremos cursos de tutoría después de las horas regulares para todo estudiante el cual necesite ayuda adicional más allá del día escolar. Ahora se ofrecen programas remediables y de enriquecimiento en los veranos y hemos hecho un conciente esfuerzo en reducir el número de estudiantes en cada clase, siempre que esto sea posible. Si usted tiene alguna preocupación por el progreso de su niño, le pido que se sienta cómodo en llamar al principal en cualquier momento. Por favor, sepa usted que le damos una entusiástica bienvenida a su completa participación en el programa educativo de su estudiante.

Nuestras escuelas reflejarán muchos cambios, desde los cursos de tutoría individual para aquellos estudiantes en peligro de no aprobar sino también ampliar las oportunidades para aquellos estudiantes quienes tienen la inclinación a un rigor académico más intenso. Los programas que se ofrecerán durante el año escolar continuarán desafiando a todos nuestros estudiantes en una gran variedad de formas mientras continuamos elevando las expectativas académicas de todos nuestros estudiantes.

Nuestras instalaciones también reflejarán grandes mejoras. Los tableros interactivos recién adquiridos ahora ocuparán el 80% de nuestras aulas primarias, y el 100% de las aulas en la escuela media de Dover. Nuestros campos de béisbol y de fútbol de la Escuela Secundaria se beneficiarán de una renovación, dando por resultado un ambiente más seguro en el cual nuestros atletas se sentirán orgullosos. También, se han comprado nuevas computadoras portátiles para nuestras escuelas. Nuevas tribunas se han instalado en el campo de Hamilton las cuales son accesibles para personas con dificultades físicas; financiamiento se ha conseguido para construir un nuevo patio de juegos para la escuela de East Dover.

Nuestro progreso ha sido excelente, pero nuestra misión recién ha comenzado. Nuestros desafíos son cada vez más grandes y así mismo es nuestra determinación en enfrentarlos. Respetuosamente los invito a cada uno de ustedes a trabajar junto a nosotros para resolver los desafíos de mañana. ¡Trabajando hombro a hombro, yo sé que podemos y tendremos éxito!

Sinceramente,

Robert B. Becker

Mission Statement

The mission of the Dover Public School District is to provide an optimum educational experience for all students, creating a passion for learning and encouraging all students to perform to their highest potential. This shall be accomplished via a seamless integration of the New Jersey Core Curriculum Content Standards into the curriculum and infusing the most current pedagogical practices and technology into the fabric of the classroom environment.

Title IX: Americans with Disabilities Act

Dover Board of Education policy prohibits discrimination on the basis of sex, race, national origin (Title IX), or physical or mental impairment (Americans With Disabilities Act) in its educational programs, activities, or employment and classroom practices.

The Board of Education

The policy-making body for the Dover Public Schools is a ten-member board of education that meets on the first and third Tuesday of each month. Meetings are held at 8:00 pm in the Board of Education Conference Room at the Dover High School. Formal action may be taken during either meeting.
